Registrar's Report:

53 Clinic players registered. 93 Travel. D3 Registration closed 14 players maximum per team. D2 Registration closed. D1 2 spots available, closing registration recommended.

Travel Report: Discussed using indoor facilities for Winter practices. Try to keep younger teams together at earlier times based on coach availability. Older teams together based on coach availability. 15-30 days from when estimates are received and need to act quickly.

Clinic Division: Discussed possibility of playing 4 vs. 4, to be decided between both coaches.

Picture Day: Picture Day is scheduled for Saturday September 24 between 10:00am and 4:00pm.

Referees: ALL referees must be assigned by John Ligos (Head Referee). Any issues, John should be contacted directly.

Fields: It was recommended due to the amount of rain we've had, coaches should conduct practice outside of the 18' box to allow that area to improve. Also, reminded that we cannot use BHS fields before 6:00pm during the week. Also, after 11:00 games on Sundays, 2 coaches must remove nets at least 10 yards off the fields to prepare for

travel games. Practices are permitted to be held at Green Chimneys Saturday mornings only.

Travel Coaches Jackets: Travel Jackets will be ordered for all new Travel coaches.

Finances: It was discussed to authorize a \$500-\$1000 donation to BHS for seeds to re-seed the lower varsity field in the Spring. Recommendation was rather than a blanket donation, we would pay the money directly to the vendor.

Motion to Dismiss: Jim McKee motioned to dismiss, Chris Delamonico second.
